A Letter from the Director

Dear Sprouts Families,

November always feels like a time to pause, reflect, and give thanks—and this year, I have so much to be thankful for. Watching our students grow, our teachers shine, and our families connect fills me with pride and joy. This season reminds me that growth happens in so many forms—sometimes it's seen in a child's newfound confidence, sometimes in a teacher's creative spark, and sometimes in the quiet moments of kindness that happen every day in our classrooms.

As we head into the holiday season, I want to take a moment to say thank you—for trusting us, for supporting our mission, and for being part of the Sprouts family. Your partnership means everything, and together, we're creating something truly special.

With gratitude,
Paige

Parent Tip of the Month

I learned this tip when my own kids were young, and I've used it every year since. Instead of purchasing endless gifts for my kids at Christmas, I narrow it down to four things:

This simple approach has made our family Christmas so much more meaningful and stress-free!

We'll be sending home a Scholastic Book Order soon—perfect for checking off the “something you READ” item on your list. If you'd like your order to be kept a surprise for gifting, just let us know and we'll arrange for discreet delivery.

Staff Spotlight

This month, we're thrilled to shine the spotlight on Miss Katie, our incredible On-Site Supervisor!

Miss Katie has been part of the Sprouts family for three years and truly is the heartbeat that keeps our building running. From planning field trips, scheduling staff, and organizing events, to posting on social media and keeping student files in order—she does it all with a smile.

Sprouts simply wouldn't be the same without her!

When she's not being our resident multitasking queen, Miss Katie enjoys reading, spending time with her family, and cheering on the Kansas City Chiefs. We are so thankful for her dedication, hard work, and heart for our Sprouts community.

Featured Product

Magic Canvas by Cub & Fox

I recently discovered the Magic Canvas from the Cub & Fox Company, and it has quickly become a classroom favorite! I purchased one for each classroom, and our students absolutely love them.

This mess-free, portable art board allows for endless creativity—no paint, no spills, and no stress. It's perfect for road trips, quiet time, or holiday gifting.

School Highlights

A Look Back at Our First Fall Family Festival

Last month, Sprouts hosted our very first Fall Family Festival—and it was a huge success! Families enjoyed delicious food (thanks to Miss Amanda's Bevo-que Catering), hayrack rides, pumpkin painting, face painting, and exploring the Scotch Ridge Nature Center playscape.

We had over 100 attendees, and the joy on everyone's faces made it clear—this will be an annual tradition!
